

Note from Ms. Lachance for Friday, Sept. 2nd Parents and Guardians

Attached is the September class calendar (some revisions may occur).

We've completed a wonderful first week of Kindergarten. Our focus was on routines, expectations, friendship, problem-solving, play-based learning, and outdoor exploration.

Registration Forms: A friendly reminder to return completed registration forms package that was sent home this week, as well as \$50 registration fee.

Nutrition: Thank you for providing healthy lunches and snacks. As a supplement on any given day, our school has the benefit of daily food programming through the YFNED (Yukon First Nations Education Directorate) for all students. This does not need to be planned in advance.

Toys: Thank you for keeping personal toys at home. This helps limit frustrations and anxiety over lost or broken toys.

Pizza Lunches: These occur once per month. Pizzas are ordered through Pizza Hut. This is optional each month. Forms will be sent home each month for your consideration.

Fire Drill: We'll have a fire drill practice this month. To support our practice, please consider having a discussion with your child about the importance of participating in these drills.

Student Teacher: Ms. Rhea, student teacher in our classroom, will be unable to continue due to unforeseen priorities at home. We wish Rhea all the best as she pursues her B.Ed.

Dressing for the weather: Students will need to be prepared for all kinds of weather in order to be comfortable for recesses and regular outdoor learning in the forest area. If you require any items (hats, mitts, snowpants, boots) please let me or the office know so we can provide items.
